

Desperate Desmond

How a Starved Hero is Rescued from an Unequal Combat by a Fair Angler

By Hershfield

While the unfortunate, but still heroic Claude is chained, Desmond keeps all food from him. As soon as our hero is sufficiently emaciated and weak, Desmond will fight him a duel! The soundest! Even though Claude is dying for a doughnut or a piece of pie, like mother, like son, the villain will not give him as much as a single crumb of bread.

Having unstacked Claude, Desmond proposes a duel with heavy sledge hammers, knowing that the wretched hero will be unable to even lift one of the weapons. Such is the villain's idea of a square deal. After all, there is no such thing as honor among villains. Desmond would do as a fellow scoundrel as readily as he would one of his natural foes—a hero.

The heavy sledge hammer is about to descend on the unprotected skull of Claude, the half-starved hero. True to the last, the hero's last words are of the beautiful Rosamond, for whom he has endured so much torture at the hands of the cruel Desmond. There is nothing like being game, although oftentimes it doesn't get one very much.

On the sands Rosamond is a suffering spectator of the tragedy being enacted. She knows that her poor, starved Claude has no earthly chance of escaping the unequal contest; there is no apparent way of going to his aid. She finds a heavy fishing rod lying on the sand, where it had been abandoned by a caravan of fishermen, but there does not appear to be much aid here.

Just as the heavy sledge is about to descend upon the unprotected dome which shelters Claude's thinking apparatus, Rosamond flicks out the long line with all the skill of an experienced fisherman. But of what avail is a rod and line against a heavy sledge in the hands of the slim, but why Desmond? Of no avail so far as we can see.

Ah, ha, Rosamond has hooked the starved Claude, and his trifling weight is easily lifted by her strong young arms. The villain's own fiendish plan has resulted in balking him of his prey, and with a cry of rage he sees Claude flipped into the air beyond the reach of the death-dealing hammer. Can Claude ever recover his former strength?
